

Dear Friends and Family,

Greetings from Mbeya. The rainy season is once again beginning, changing the dry, dusty landscape into lush greenery. Since we last wrote in October, it seems like things never really slowed down for us. We are continually blessed to have people in our home as they travel back and forth across the country. This year has been one of our busiest in terms of guests and our calendar is full until the new year.

Please pray for patience and strength for us and a spirit of generosity and hospitality with our many guests.

Neema Masomo ya Biblia (Grace Bible Lessons) is picking up steam as well. We recently sent 20 lessons to the northern city of Arusha and at the end of the month we'll send the same amount to Dar es Salaam on the coast. We'll also be working on registering students in the Sumbawanga area to our west. Please pray for interest in these lessons and for the Holy Spirit to work on the hearts of those being introduced to the Gospel. The new office has been a great blessing both for me personally and for the correspondence ministry. It is a great space for working and preparing lessons.

We ask for your prayers as well for our families. Several of our extended family members are sick and it weighs heavily on our hearts. It can also be lonely during this Christmas season to be so far from our families in the States.

We thank you for your prayers and support!

In Christ,

Cory, Kim, Naomi, and Elijah Hodgson
